THE EYES OF A CHILD

Great vision isn't just for grown-ups. Our EyeMed KidsEyes benefit includes special treatment for enrolled dependents 19 years and under, too.* The best part: it's already part of your vision plan.

WHY THINK YOUNG

- 1 in 4 children has a vision problem that can interfere with learning.¹
- Vision changes more often for kids than it does for adults.
- 80% of all learning happens through the eyes.¹

BIGGER BENEFITS FOR GROWING YOUNGSTERS

- 2 eye exams every year
- 1 pair of replacement lenses if their prescription changes during the year
- Polycarbonate (impact resistant) lenses
- 40% off to replace lost or broken glasses as often as needed²
- 20% off sports-related eyewear and non-prescription sunglasses²
