Welcome 9:00 a.m.

Updates from the Chair:
• Goals 2015
  Brief overview of the accomplishments from Fall 2014 and goals for spring 2015.

• AP&P Agendas for Jan. 22 and Jan. 29
  Brief overview of the proposals to be reviewed and approved at the Jan. 22 and Jan. 29 meetings so that reps can report to their departments accordingly.

New Programs Training
Training will include requirements from Title 5 and the ACCJC, including review of an actual program proposal for purposes of this training. This training will cover crucial items needed for a successful new program proposal, such as the types of data and evidence needed.

Lunch and Snacks Provided
12:30-1:30 p.m.

Prerequisites, Corequisites, and Advisories (PCAs) Training
Training will cover the steps for a rigorous content review alone, situations when Statistical Validation will be required, and cover general aspects of the data such as what could data be, where to get it, who to contact, and how to analyze it.

CurricUnet
Overview of the CNET processes during Fall 2014 including a discussion on improving the processes.

Call to Adjourn 4:00 p.m.

1st AP&P meeting: Thursday, January 22, 2015, from 2-4pm, in the Board Room (B-100)
