Alpha Gamma Sigma Honor Society Membership Opportunities

**Spike is looking
for a few good students
who want to make a difference!**

Alpha Gamma Sigma is a California community college honor society (www.ags-honor.org). Its purpose is to foster, promote, maintain, and recognize academic excellence. Simply put, it is a service club for honor students that encourages leadership, good character, and sound judgment through service projects, fund raisers, and social events that benefit the school and the community.

Benefits of an AGS membership:

- Develops confidence and leadership skills
- Provides opportunities to give back to the school and local community
- Provides an opportunity to meet people and have fun
- Exposes members to information and networking opportunities through attending leadership conferences
- Awards special recognition at graduation
- Provides scholarship opportunities
- Stands out on a resume or university transfer application

Requirements and Participation:

- Must have a minimum GPA of 3.0
- Must have completed at least 12 semester units
- Attend meetings, service projects, fundraising activities, and leadership conferences—perform 8-16 volunteer hours per semester.
- Pay dues (\$10 for new members or \$12 for continuing members each semester).

Students may be active on either the Lompoc or Santa Maria campuses. Meetings are held on each campus approximately every two weeks during fall and spring semesters. For a calendar of meetings or other information, please visit the AGS Facebook page at: <http://www.facebook.com/agsaquarius> and look under "Notes" for AGS Membership Criteria and How AGS Works.

OR email agsaquarius@gmail.com

OR contact an advisor: Ms. Headtke at 922-6966 ext 5474 or Mrs. Majoue at ext 3463.

Fill out an application today!
