12. C. Foundation Board Scholarship For 2016: Ms. Moya reported that for the last 7 years the foundation directors have provided a contribution of \$25 or more to award an *Allan Hancock College Foundation Board of Directors Scholarship* at the annual scholarship banquet. The Executive Committee is recommending that directors participate once again by providing a gift of \$25 or more per director for this scholarship award. In order for a named scholarship to be presented, there must be a total of \$500 contributed towards this effort. The award for last year was \$1.250 contributed by 20 directors. Mr. Fields challenged the newest directors to double their donation to \$50 and he will match what the "freshman class" contributes.

MOTION: On a motion by Director Fields, seconded by Director Cora, there was approval to provide an *Allan Hancock College Foundation Board of Directors Scholarship* this year with a gift of \$25+ by those directors choosing to participate. Ayes: Black, Bray, Cora, Cox, Dworaczyk, Fields, Frost, Grennan, Juarez, Klug, Lahr, Manning, Moya, Nanning, Ostini, Orozco, Schrager, Walthers, Welt; Noes: None; Abstentions: None; Concur: K. 12. D. New Position – Advancement Specialist: Dr. Walthers reported that in fall 2014, Allan Hancock College was awarded a 5-year Hispanic Serving Institutions grant (Title V) from the U.S. Department of Education. The grant focuses on two major activities, one of which is to implement structural changes to coordinate, align, and integrate the college's multiple resource development components. This "capacity development" grant provides an opportunity to restructure units into a coordinated College Advancement program and to add an Advancement Specialist to assist with development activities. This position will be incrementally institutionalized with district funds over the remaining four years of the grant's project period. Beginning in 2019, this position will be institutionalized as a foundation position. It is anticipated that the return on investment will outweigh the cost of the position. The advancement specialist will have responsibility to fundraise gifts of \$5,000 to \$25,000 and will report to the Executive Director of College Advancement. Dr. Walthers reported that this position will always be a college expense, and not an expense to the foundation.

16. B. College Superintendent/President: Dr. Walthers reported that President's Circle membership is down. The President's Circle is a financial commitment of \$1,000 or more a year that helps fund the needs of students and also adds value to Allan Hancock College's educational programs. Some of these items include; community outreach, buying food for an event for students, professional development, supporting educational field trips, and the student food bank. Dr. Walthers also provided everyone with a handout titled "New External Funding Approaches \$12 Million since summer 2013. The foundation has received \$4.7 million in donations and the college has received \$7 million in new grants from federal, state and private agencies. Some of the organizations that have given are; CoastHills Community Foundation, G. Haas Foundation, PG&E, Orfalea Foundation, Heritage Oaks Bank, California Community College Chancellor's Office, and the National Institutes of General Medical Science. This report does not include funding that PCPA or AHC Boosters Club has raised. - **16. E. Faculty Representative:** Ms. Metaxas stated that the semester has started smoothly for faculty. The college is in the process of hiring an unprecedented amount of instructors and counselors. There will be 13 instructor positions and 4 counseling positions. This was due to retirements from previous faculty and also hitting a bottleneck in the curriculum. Ms. Metaxas also reported that she is part of the scholarship review committee and is excited to start reviewing student's applications.
- 16. F. Student Representative: Ms. Kallies reported that there has been the highest amount of returning ASBG students on record. She also reported that Student Health Services and ASBG organized an event called *Love Carefully Day* on February 9th in recognition of Valentine's Day. Then there was a student vs. staff basketball game played at half time of the AHC Women's basketball game on February 11. Superintendent/President Walthers and VP of Student Services Nohemy Ornelas represented the staff, the game was 6 minutes long and the students won, 2-0. Ms. Kallies also mentioned that twice a month Hancock teams up with the Santa Barbara County Food Bank to distribute food to students in need. The program is called "Food Share Because We Care" and it is the 1st and 3rd Thursday of the month. BACKGROUND

ALLAN HANCOCK COLLEGE FOUNDATION

In fall 2014, Allan Hancock College was awarded a 5-year Hispanic Serving Institutions grant (Title V) from the U.S. Department of Education. The grant focuses on two major activities, one of which is to implement structural changes to coordinate, align, and integrate the college's multiple resource development components. This "capacity development" grant provides an opportunity to restructure units into a coordinated College Advancement program and to add an Advancement Specialist to assist with development activities. This position will be incrementally institutionalized with district funds over the remaining four years of the grant's project period. Beginning in 2019, this position will be institutionalized as a foundation position. It is anticipated that the return on investment will outweigh the cost of the position.

FISCAL IMPACT

There will be no fiscal impact to the foundation as the position will be an expense of the district after becoming institutionalized as a foundation position beginning in 2019.

From:	Valerie Moya Foundation Board President	April 28, 2016
Subject	: Committees and Assignments for 2016	April 20, 2010

Committee assignments are confirmed for this year, and included is the current mission for each committee. However, the Executive Committee at its June meeting will be reviewing the number of standing and ad hoc committees, the goals of each committee, and the frequency of how often each meets. We will be asking the board for input on that process.

Foundation Committees

The foundation has two types of committees: Standing Committees, which are defined in the bylaws of the corporation and subject to public meeting law (Brown Act), and Ad Hoc, which are formed to meet the needs of the foundation and support its mission statement. Generally, committees meet monthly and report quarterly to the Executive Committee. Below is a list of all committees along with a "job description" for each. The bylaws state that at least three regular board members must attend a committee meeting, and each committee shall have a chair.

Standing:

1. Executive

The Executive Committee has the authority of the board of directors for the day-to-day management of the corporation as prescribed by the bylaws or as directed by the board of directors. The committee includes the elected officers of the corporation, a trustee appointee, the Superintendent/President, and two at-large members of the board of directors. The committee meets monthly or as necessary.

2. Finance

The Investment Committee makes recommendations to the Executive Committee about the Foundation's financial activities including investments, allocations of earnings, budgets, and fiscal policy. The committee monitors the foundation's financial activities, policies, and procedures and reports to each regular board meeting the income, expenses and investments of the corporation. The committee is chaired by the elected treasurer of the corporation. Membership includes the college's Associate Superintendent/Vice President, Finance and Administration, and other voluntary members from the board and/or community.

3. Nominating

The Nominating Committee seeks out, screens, and proposes new directors and officers to be nominated for election to the board. Generally at the final board meeting of the calendar year, the committee recommends the slate of officers for board consideration. In addition, the committee recommends the renomination of current board members at any regularly scheduled meeting of the Foundation's board of directors.

4. Scholarship

The Scholarship Committee oversees and advises the board on the foundation's annual scholarship program including appeals, waiver requests, the annual banquet, and the web-based application procedures.

Ad Hoc – (Originally based on the AHC 2009-2013 Strategic Plan, several committees have undergone changes to both title and job description based on the needs of the foundation.)

1. The President's Circle

The President's Circle Committee sets the goal and plans the annual campaign for the President's Circle. It sets the fundraising goal, writes and monitors the annual cultivation plan, sets the campaign time frame, conducts donor searches, schedules direct mail contact pieces and appeals and year-end mail appeals, schedules fundraising events, alumni outreach, and funding for special projects.

2. Major Gifts

The Major Gifs Committee identifies memorial naming opportunities for current and future college facilities and updates naming opportunity brochures.

3. Planned Giving

The Planned Giving Committee develops a marketing plan for deferred gifts and oversees the acquisition of planned gifts, including appreciated real estate and insurance gifts. The committee also organizes and publicizes one annual planned giving workshop for donor prospects and professional advisors.
