The new PCPA Stagecraft building is located at the northwest corner of the Santa Maria campus.

LETTER FROM THE THE CHAIR

On behalf of the Allan Hancock College Measure I Citizens' Oversight Committee, it is my privilege as Chair to present the Measure I 2023 Annual Report to the Board of Trustees.

Since the community approved the bond in 2006, Measure I has revolutionized and modernized the college. This year has seen the grand opening of one of the largest projects to date: the new Fine Arts Complex. Located on the Santa Maria campus, the Fine Arts Complex is the hub for creativity and learning at Hancock. The two-story, 88,787-square-foot facility is an impressive presence on campus. It features a 350-seat concert hall and houses the college's dance, drama, film, graphics, music, photography, and multimedia arts programs. The Fine Arts Complex joins other major bond-funded buildings, like the Public Safety Training Complex in Lompoc and the Industrial Technology and Student Services buildings on the Santa Maria campus. The face of the college continues to transform in ways that will positively serve our community for generations to come.

The committee regularly receives detailed information from the college's management and staff concerning the progress and expenditures related to the various projects identified in the 2006 Measure I Bond. The committee plays an important role in informing the public about the District's expenditures of bond money, providing oversight to ensure that bond revenues are spent on construction projects as promised to voters.

It is the opinion of this committee that based on the oversight activities and the independent financial and performance audits noted herein, the college remains in full compliance with the requirements of Article XIII A, Section 1(b) (3) of the Constitution of the State of California.

Our committee trusts you will find the annual report accurate, informative, and comprehensive.

Sincerely,

Angelica Gutierrez

Chair

Measure I Citizens' Oversight Committee

Bond Measure I Overview

Northern Santa Barbara County residents voted June 6, 2006, to approve Measure I, the \$180 million general obligation facilities bond to improve Allan Hancock College. Funding from the bond helps the college modernize technology, upgrade the failing infrastructure of decades-old classrooms and labs, and build new teaching and learning spaces.

Measure I was presented to voters under the provision of Proposition 39, stipulating that at least 55 percent of voters approve a measure for its passage. It passed with 56.9 percent of the vote.

The Citizens' Oversight Committee

As promised to voters and required by law, on August 15, 2006, the Allan Hancock College Board of Trustees adopted Resolution No. 06-35, establishing the Bond Measure I Citizens' Oversight Committee.

The laws governing implementation of the Citizens' Oversight Committee require a minimum of seven members be selected based on criteria established by Proposition 39:

- One active member from the following: a business organization representing the business community located in the district; a senior citizens' organization; a bona-fide taxpayers association; a support organization for the college; and, a student enrolled in a community college support group.
- Two members of the community at-large.

Members of the Citizens' Oversight Committee are appointed for one- or two-year terms and may not serve more than two consecutive terms. Members serve without compensation. Meetings are open to the public and subject to the Brown Act.

Recognition

Thank you to Angelica Gutierrez, Roy Reed, and Kenneth Wolf for their service on the Bond Measure I Citizens' Oversight Committee.

Angelica Gutierrez, 2019-2023

Roy Reed, 2019-2023

Kenneth Wolf, 2019-2023

Period covered by the report

This report covers the time period of January 1 – December 31, 2023.

Statement of purpose/ responsibilities of the Citizens’ Oversight Committee

The Measure I Citizens’ Oversight Committee, with members representing the various facets of our communities, serves as the representative of local residents to monitor the expenditures of Measure I funds. The Citizens’ Oversight Committee reviews the progress and expenditure reports to ensure that bond proceeds were expended only for the purposes set forth in the Measure I Bond, and reports their findings annually to the Allan Hancock College Board of Trustees via this report.

Report on independent financial and performance audits

The district has received, and the Citizens’ Oversight Committee has reviewed, the financial and performance audit for the Measure I Bond Construction Fund for the fiscal year ending June 30, 2023. COSSOLIAS/WILSON/DOMINGUEZ/ LEAVITT (CWDL), Certified Public Accountants, prepared the report to comply with Proposition 39 accountability within the California Constitution.

CWDL stated, “In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Measure I General Obligation Bond Funds of the District at June 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.” The auditors further noted, “There were no audit findings reported in the prior year’s Financial Statement Findings.”

Financial compliance confirmation

All expenditures authorized by Measure I have been reviewed by the Citizens’ Oversight Committee to ensure the money was spent only on improvement projects as required by Proposition 39. All funds expended from Measure I will be audited annually by an independent accounting firm.

The Citizens’ Oversight Committee has reviewed expenditures and projects, and finds the district is in compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution and consistent with the district’s approved Measure I local bond measure.

Allan Hancock Joint Community College District

General Obligation Bond Expenditure Report

September 1, 2006 – December 31, 2023

Total General Obligation	
Bond Authorization:	\$180,000,000

Measure I Projects Status

Current Capital Construction Projects

FINE ARTS COMPLEX

The 88,787-square-foot Fine Arts Complex was occupied by faculty, staff and students beginning in winter quarter of 2023. Since its opening, students have been learning about and honing their craft in music, dance, theater, ceramics, painting and a host of other fine arts activities throughout the facility. The Fine Arts Complex sits at the heart of the campus and is a bustling hub of activity throughout the day.

Architect: DLR Group

Construction Manager: Roebbelen Construction Management Services, Inc.

Contractor: AMG & Associates

Total Project Budget: \$48,453,206

PCPA STAGECRAFT

The recently completed PCPA Stagecraft facility is a 6,676-square-foot structure located on the northwest corner of the Santa Maria Campus. This state-of-the-art structure houses costume and set design and other stagecraft functions for PCPA performances. The grand opening was held September 15, 2023.

Architect: 19six Architects

Construction Manager: Allan Hancock College

Contractor: Quincon, Inc.

Total Project Budget: \$6,900,000

Buildings E & F during and after demolition.

DEMOLITION PROJECTS

The college recently demolished two older structures, the E and F buildings, which were directly north of the Performing Arts Center. This demolition project was completed in August 2023.

A second demolition project in 2023 to raze building O-300 began on December 11, 2023. This 31,630-square-foot building formerly housed PCPA Stagecraft and other continuing education functions. Estimated completion for the demolition is January 2024.
