| Allan Hancock Community College (AHC) will provide sufficient resources for maintaining on-the-job learning stations, coordinating the program, and supervising students. The college employs a designated Coordinator/Director, (Adjunct) Faculty and part-time staff to coordinate CWEE program activities. |
| Duties of the CWEE Coordinator/Director include but are not limited to: plan, implement, organize, supervise, and evaluate the CWEE program. |
| In certain, but very limited situations, as defined in guidelines issued by the California Community College Chancellor's Office, the District will substitute approved alternatives to "In-person" consultations with employers/supervisors. Alternative methods and circumstances will be documented. If reasonably possible, in-person consultations will be conducted to discuss students' educational growth on the job. Important outcomes occur from the in-person consultations with employers, which include but are not limited to: evaluation of learning objectives, increased employer relationships, opportunity to network and share programs and services offered by AHC, educate faculty on latest industry trends, support changes to improve educational programs, ensure site safety and legitimacy (within the reasonable expertise of the CWEE faculty). It also provides an opportunity to market and expand the programs, creating additional credibility for the CWEE program. |
