- Spelling (applicants select the correct spelling of a word from a list of options)
- Vocabulary (applicants select the correct meaning of a word from a list of options)
- Clarity (applicants select the sentence that is most clearly written from a pair of options)
- Reading Comprehension (applicants read a passage and answer questions about the passage's content)
- CLOZE (applicants use contextual clues to complete a passage that contains blanks/missing words)
- PELLETB test materials are not available for review due to POST test security regulations
- All applicants must attain a minimum PELLETB score of 42 or higher to be admitted to the Academy, (or if lower, there must be approval by the Academy Director or the Academy Coordinator).
