LOSS OF PRIORITY REGISTRATION and LOSS OF CALIFORNIA COLLEGE PROMISE GRANT FEE WAIVER (CCPG):

Per Title 5, Section 58108 Regulations of the California Community College System, your calculated academic standing will impact your assigned registration date for future semesters. A second consecutive term (fall/spring semesters) on academic or progress probation will result in the loss of continuing student priority registration. This will also apply to any student over the 100-unit limit (excluding non-degree applicable and ESL courses). This means you would register after all continuing and new students, thereby possibly losing your opportunity for the courses you need to meet your educational goal.
