¡Sueña, Edúcate, & Triunfa!
Welcome!

Our Mission...
is to promote the available resources at Allan Hancock College to those who fall under AB 540 status, advocate for their interests, and provide financial assistance to those who receive limited assistance from the college due to their migrant status.

Any one is welcome to join the club to help students make their dreams come true.

Activities we plan throughout the year:
* Educational Workshops
* Fundraising
* Grant Writing
* Potlucks
* Movie Nights
* Fun Games
and much more!

Those who are willing to sacrifice and be of service have very little difficulty with people. They know what they are all about. People can’t help but want to be near them. They help them; they work with them. That’s what love is all about. It starts with your heart and radiates out.
