* Indicates possible unit limitation.

A score of 3, 4, or 5 is required to grant credit for IGETC certification. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language Other Than English (LOTE). Students who have earned credit for an AP exam should not take a comparable college course because transfer credit will not be granted for both. There is no equivalent AP exam for Area 1b-Critical Thinking/Composition requirement.
